DEAN TRUST Ardwick

NEWSLETTER

Head of School Message

Mr S Worthington
Headteacher

Dear Parents and Carers,

We have reached the end of Half Term 5 and we are halfway through GCSE Examinations. Thank you for your continued support this half term and for entrusting Dean Trust Ardwick with your child's education.

As we approach the end of the academic year, we have been reminding pupils that academic achievement is not the result of one-off moments or performances. It is the consistent effort they put in every day, in every lesson, that significantly impacts their future success. We have been encouraging pupils to repeat positive actions to create habits that will lead to success. To support this, we kindly ask for your cooperation in ensuring that your child attends school every day, arrives on time, and is in the correct uniform.

We will shortly be sending out letters to inform you that our pupils will be sitting their end of year assessments when we return following the half term break. The exams will assess all the knowledge they have learned throughout the year. It is crucial that pupils prepare thoroughly for these assessments to perform to the best of their abilities. Pupils can access revision materials on Google Classroom, or by speaking to their class teachers.

As we approach the blessed occasion of Eid al-Adha, we would like to take this opportunity to wish our families who celebrate a joyful and peaceful celebration. We understand that Eid is a significant time for many in our school community, and we hope it brings you joy, peace, and togetherness. We want to ensure that all pupils are given the chance to observe this important occasion while maintaining their commitment to their education.

Finally, I would like to ask you to Follow us on Instagram (dt_ardwick) and Facebook (click here). We're excited to keep you informed and involved in all the wonderful things happening at our school. To stay up to date with the latest news, events, student achievements, and important announcements, we invite you to follow us on our official social media channels.

Your support helps us celebrate our pupils' successes and strengthen our school community. Thank you for staying connected.

Best regards,
Mr S. Worthington

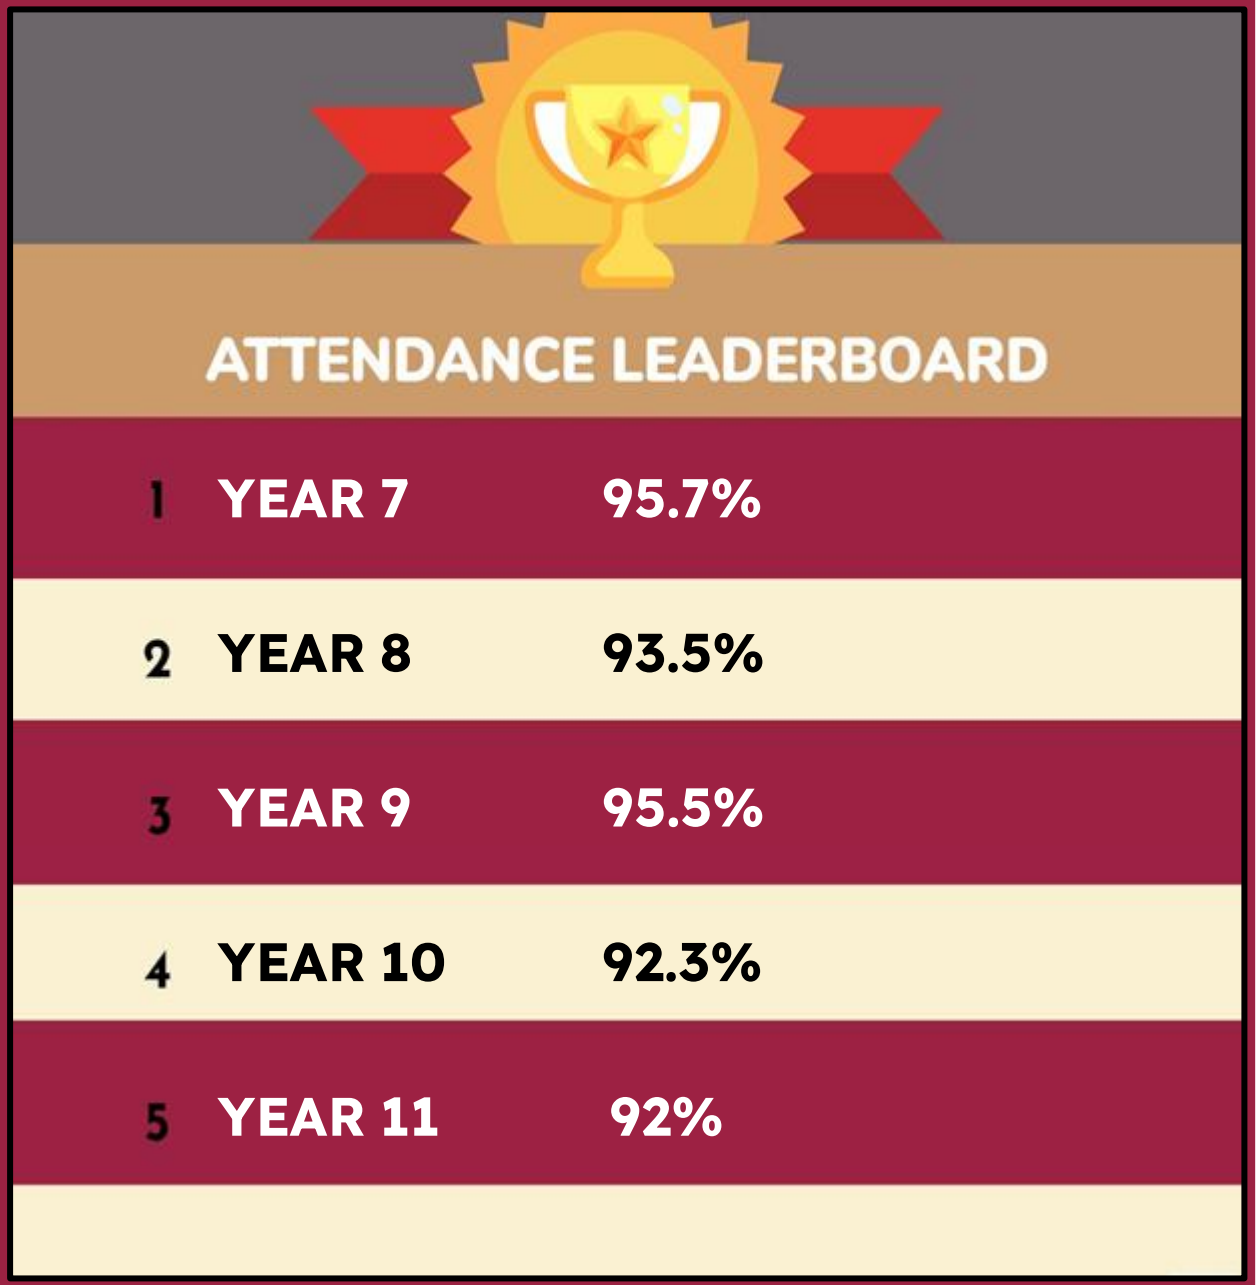
2nd June School reopens

Weekly Attendance Update

Results of the weekly attendance from Mrs Charles

WELL DONE YEAR 7s!



Attendance

We believe that regular school attendance is crucial for our pupils' academic success.

As a school we are only able to authorise a maximum of two days of absence for religious observance per academic year.

If you wish to take the day off, please notify us by emailing **attendance@deantrustardwick.co.uk** prior to the date. If we do not receive prior notification, the absence may be marked as unauthorised.

Click here https://deantrustardwick.co.uk/wp-content/uploads/sites/4/2024/10/Dean-Trust-Ardwick-Attendance-Policy-24-25.docx-1.pdf to read our Attendance Policy.

Coffee Morning

Our recent coffee morning was very well attended and warmly received by all. The event provided an excellent opportunity for parents to engage with the school community and celebrate the children's achievements. Pupils who received Golden tickets proudly showcased their work, reflecting the high standards they consistently meet.

A notable moment included Mrs Collins- Walsh delivering a presentation on effective revision strategies to parents—despite the slight challenge of a less-than-stable chair—demonstrating our ongoing focus on academic support and collaboration.

Trip to Mayfield Park

Mr McCabe, Miss Lewis and Miss Street recently took 37 Year 9 and 10 students on an inspiring trip to Freight Island and Mayfield.

The visit formed part of our careers education programme, focusing on green jobs and sustainability. Students took part in a range of engaging workshops, including developing ideas for Mayfield's green spaces, learning how to replace bike tyres, and upcycling old chairs through creative decoration. They also worked collaboratively in teams to sustainably plan and develop a fictional town, applying their knowledge of green practices to create eco-friendly communities.

Throughout the day, students met professionals from various eco-conscious businesses, gaining valuable insights into green careers and how they can develop their own green skills to support a more sustainable future.
