Head of School Message

Dear Parents and Carers,

We have reached the penultimate week of half term 5! Good luck to our Year 11 cohort who continue their GCSE examinations this week, I am confident that all the hard work our pupils have put in so far in their DTA journey will show. As the temperature increases, I would like to stress the importance of your child bringing in clear water bottles from home, to ensure they are hydrated and ready for the day.

Mr S Worthington
Headteacher

This week I had the pleasure of announcing our new cohort of Year 10 prefects. They will begin their duties as a prefect in the next half term following the departure of our current Year 11s. We have now moved onto the selection process for Senior and Head prefects. If your child is a prefect currently and is interested in joining our Pupil Senior Leadership Team, please direct them to Mr Diaz, Head of Year 11.

This week all pupils have received an assembly from Griot Gabriel, a local youth worker and poet, discussed the importance of community, and the important role each pupil plays in ensuring a school community flourishes. He shared his experience of living in the Ardwick community for over 20 years, and expressed this in a poem he recited called "where I'm from". It was great to have Griot in school, and I know the pupils appreciated his work.

I hope you all have a restful half term and I look forward to welcoming you all back!

Best regards,
Mr S. Worthington
Head of School

Head of Year Messages

Year 7 – Miss Martin

Year 7 have had another fantastic week this week ! Pupils have been really demonstrating our values of kindness in and around the school building and their lessons . I want to give a special shout out to Ali A (Year Turing) for demonstrating these values in the community after school. A member of the pupil fell off his bike. Ali witnessed this and went to support this person by helping him pick up his things. We are very proud of you Ali and you are a great role model for the school in doing this. Well done to the year 7 girls football team who competed on Wednesday night. A lot of effort was put in by the pupils and thank you to all staff who prepared the pupils for this match. Please continue to live out our values of ready, respectful responsible in all of your lessons this week as our expectations remain the same. Wishing you a great final week of this half term.

Year 8 – Mr Bridden

Year 8 had a great week this week with attendance rising significantly. We are having a big drive on chewing gum in school, and if your child is caught chewing they will receive a Head of Year detention, please encourage your child to leave the gum at home! Looking forward to another great week

Year 9 – Mrs Rashford

We continue to encourage pupils to maintain high standards in uniform and appearance, at no point should pupils be turning up to school with trainers, make-up or jewellery; these items do not form part of the school uniform and will be required to be removed or confiscated. We appreciate your support in encouraging your child to maintain high standards in their uniform and appearance at all times.

Year 10 – Mr Smith

The Year 10 pupils were extremely excited to find out who has been selected as a Prefect during the assembly on Tuesday. There has been a very thorough process in which the pupils have had to write a letter of application and then be selected by the Form Tutors and Year Team. The group of pupils that have been awarded this prestigious accolade will be great role models for the younger year groups and represent the school in true DTA fashion! Next week sees the start of the process for the Senior Prefects and eventually Head Prefect! – Well done to all of those who have been selected and good luck if you are aiming for the Senior Team.

Year 11 – Mr Diaz

During the exam season, it is natural that pupils begin to feel pressure and may become demotivated, please direct your child to a trusted member of staff for further support and encourage them to create a revision timetable at home. As we proceed with exams, please support your child in ensuring they arrive to school on time each day with the right uniform and equipment as pupils are still attending their full timetable in between exams. PROM: Due to unforeseen issues with MYCAS, we have reset the payment online, this is now live on MYCAS and you can pay for your child's Prom ticket in instalments or in full by the deadline of 18th June. More information about Prom will be sent to you shortly.

Schedule:

Year 11 Food Technology

The YR11 Hospitality & Catering pupils all completed their practical exam last week. They all did so well and produced some fantastic dishes and they were all really proud of themselves.

Year 10 Sport Studies

Year 10 Sport Studies pupils started their practical assessments this week. Pupils have been planning a sports session to deliver. This week pupils have started their assessments and been brilliant in their deliveries.

Year 10 MMU University trip

69 students showed immense interest to attend the year 10 MMU university trip. 20 students were offered the trip to attend the university and were able to walk around the whole campus, a scavenger hunt around the new state of the art Poetry library, given an in depth lecture on unseen poetry with a Mancunian poet and write their own to read in their own seminar session - The MMU Education manager and the poet were super proud and elated with their behaviour and articulate opinions on the poet's and general attitude around the campus. The students on the way back spoke about their passion/career interests and how it was their first time entering a University and for some of them it will be the first time in their household.
